GLS home delivery

Our shipping partner is GLS General Logistics Systems Hungary Csomag-Logisztikai Kft..

The delivery fee is determined based on weight-based calculation, which is displayed by the webshop on the Checkout page.

Rural delivery days:

Tuesday, Wednesday, Thursday, Friday

There is no delivery with Monday arrival.

GLS parcel locker / parcel point (available option)

Ordered products can also be requested to a GLS parcel locker or parcel point.

Dispatch days to locker / parcel point:

Monday, Tuesday, Thursday

Packages typically arrive at the selected locker or parcel point on the next working day after dispatch.

GLS sends notification about the exact arrival time.

3. I ordered after 14:00 – when will I receive my package?

Orders placed after 14:00 can be fulfilled no earlier than the second working day following the order.

The earliest selectable delivery date is visible in the webshop when placing the order.

4. When does the courier arrive?

In the case of Budapest delivery, the courier typically arrives between 07:00 and 12:00 at the specified address.

In the case of GLS home delivery, delivery takes place within the time interval determined by GLS.

5. How can you help ensure smooth delivery?

Please provide the delivery information as accurately as possible during ordering:

- doorbell
- building / staircase
- floor / door
- recipient name (e.g. gift recipient, colleague, reception)
- earliest possible time of receipt

Example: if you request the package to a workplace but no one is present before 10:00, please indicate this.

6. Important information

- Please check the package upon delivery.
- In case of damage, request a report from the courier.
- In case of quality complaints, please contact us immediately at hello@superjuice.hu.
